## BACKGROUND

### EXPERIENCE

● JUNE 2017 - PRESENT

**Runtime, Inc. - Santa Clara, CA**

Software Engineering Intern

- Responsible for redesigning and creating a fully functioning web application
- Working as both a UI/UX designer and a full stack developer
- Used web design patterns and minimalistic design techniques to design a user-focused platform
- Used HTML5, CSS3 and JavaScript (ES5) to implement the front-end for the platform
- Technologies used for the front-end include Express, JQuery, and Jade
- Used Node.js for the back-end and PostgreSQL for the data-management

● JUNE 2016 - DECEMBER 2016

**InfoScout Inc. - San Francisco, CA**

Data Associate Intern

- Functioned as the lead analyst for the data engineering team at InfoScout
- Responsible for conducting data analytics and maintaining data integrity
- Used data mining techniques such as association, classification and clustering to inform company executives on consumer purchasing trends
- Used SQL to query and sort consumer data
- Responsible for researching consumer data using proprietary company software
- Responsible for training and assisting new talent within the engineering department

● SEPTEMBER 2016 - PRESENT

**Association of Data Science and Analytics at UIUC - Urbana, IL**

Committee Member

- Responsible for recruiting and training individuals interested in the field of data analytics
- Implemented a workshop for students to assist in learning common data science principles and practices
- Assisted with the organizing of the annual Data Summit at UIUC
- Designed and organized class content to assist students who are active members of ADSA at UIUC
- Functioned as a liaison with companies to secure event sponsorships

### LEADERSHIP

● OCTOBER 2015 - MAY 2016

**VP Finance - Hall Council- Barton/Lundgren Hall, UIUC**

- Functioned as the treasurer responsible for overseeing the finances of the dormitory
- Responsibilities included overseeing an annual budget of \$2000, reviewing and approving expense requests, and creating and presenting weekly finance reports

### EDUCATION

● AUGUST 2015 - MAY 2019

**University of Illinois at Urbana-Champaign**

B.S. in Finance with a Minor in Computer Science
